1 Syllabus Review

- Lectures
 - TTh 5-6:30pm
 - Don't need to watch them live, they're recorded
 - Office hours 6:30-7:30pm after class (in Teams?)
- Exams
 - EES 100 and 104 (formerly the Geoscience Building)
 - TTh 5:30-6:50 pm
- Lab
 - ERB 126
 - Lab is available to set up RPi
 - **RPi needs to be 32-bit**
- Canvas is used only for homework submission, not much else
- Homework
 - 4 total
 - First homework is relatively easy
 - Test 1 is over HW 1 and 2
 - **HW 3 is really big, start it early**
 - HW 4 isn't that bad
